

84602

Smart Garage Opener with Integrated Dual LED Lighting System, Battery Backup, Chain Drive

PRODUCT GUIDE

LiftMaster

POWERED BY myQ

84602

Smart Garage Opener with Integrated Dual LED Lighting System, Battery Backup, Chain Drive

Popular features

DC Motor

Operates with soft start/stop to offer reliable operation year after year.

myQ® Connected

Control, secure and monitor the garage from the myQ app anytime, from anywhere.

Secure in-garage delivery

Enables Amazon Key In-Garage Delivery - free for Amazon Prime members.

Battery backup

Ensures garage access when the power is out.

Security+ 2.0®

Safeguards garage access by sending a new code with every click of the remote.

Invisible light beam system

Auto-reverses the garage door if there is an obstruction.

Posilock® protection

Electronically protects against forced openings of the door.

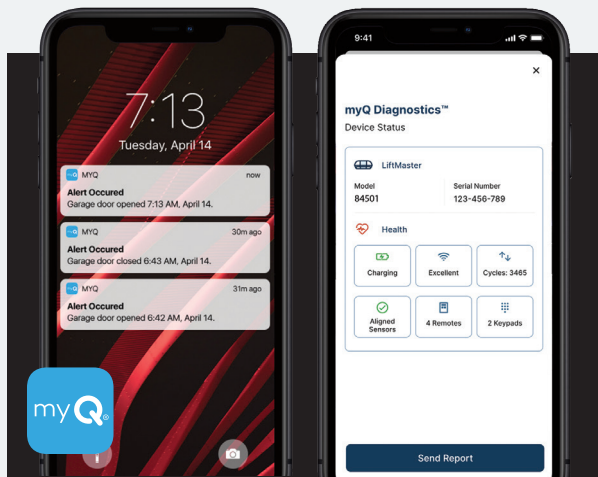

Motion detection

Lights the way automatically for additional safety.

Powerful chain drive

Chain drive system includes a rugged steel construction with precision fabrication for dependable performance, use after use.

Do more with myQ

Use the myQ app to control, secure and monitor your garage and conveniently share and manage access to your home without sharing passcodes or keys. Also, take the hassle out of service repair and easily connect to a trusted Dealer through the myQ app.

Integrated dual LED lighting system

Increase the functionality of the garage and never change a garage light bulb again. Dual lighting system provides 1,500 lumens of long-lasting LED light that brightens high traffic areas of the garage.

In the box

893LM

3-Button Remote Control
Operates up to 3 openers or myQ light accessories.

886LMW

Motion-Detecting Control Panel
Automatically turns garage door opener lights on as soon as you walk in.

485LM

Garage Door Opener Battery
Integrated battery back up allows you to open and close your door even when the power is out.
